

**Remarks**

**Supplemental Election Requirement**

Applicants response to the Restriction Requirement which was filed on July 31, 2007 contains a typographical error . It should have stated that “Applicants identify new claim 96 as well as claims 1-10 and 89-95 as reading on the elected species “non-atmospheric ratios of atmospheric gases”.

No fees are believed due in connection with the filing of this *Supplemental Response to Restriction Requirement*. However, the Director is hereby authorized to charge any required fees and credit any overpayments to Deposit Account No. 50-0540.

Respectfully submitted,

Dated: August 1, 2007
